

QuickSend Material Transfer Agreement

This QuickSend Material Transfer Agreement (MTA) may be used to transfer the Material only when **ALL** of the following criteria are met:

1. The Material will be transferred to a recipient who:

- is a Principal Investigator in a non-profit and/or educational research institution only; and
- plans to use the Material for non-commercial academic research purposes only; and
- will not use the Material for research, testing or treatment involving human subjects or for making any decisions relating to human diagnosis or care.

2. The Material was:

- created at UCSD under the supervision of a UCSD Principal Investigator; does not contain, in whole or in part, any material(s) that was received from another party under an agreement (e.g., other Material Transfer Agreements, sponsored research agreements, or commercial purchases with limitations) that prohibits redistribution or further transfer of such material(s), and the UCSD Principal Investigator who developed the Material consents to the transfer and signs this QuickSend Agreement as the providing PI; and
- described in a publication more than twelve months ago.

3. The Material is not:

- a mouse model, a mouse embryo, or a human embryonic stem cell line; nor
- a controlled substance containing pathogens or other harmful biological agents subject to special guidelines and/or procedures; nor
- described in, nor part of, a previous Invention Disclosure that UC is protecting or has protected under one or more patents or pending patents; nor
- licensed by UC to another party exclusively.

4. Provide a description of the Material to be transferred _____

5. Cite publication(s) describing or referencing the Material _____
